

Triangle groups and tilings

Damien Mégy

Drawn with the **luahyperbolic** package. (<https://github.com/dmegy/luahyperbolic>)

Triangle tilings of type (p, ∞, ∞) for $p \leq 6$

Triangle tilings of type (p, q, ∞) for $2 \leq p \leq q \leq 5$

Triangle tilings of type (p, q, r) for $2 \leq p \leq q \leq r \leq 6$

$$(3, 3, 4)$$

$$(3, 3, 5)$$

$$(3, 3, 6)$$
